EARN A  
**\$50 BONUS**

MENTOR AN ENROLLEE TO  
**DIRECTOR 300**  
WITHIN 30 DAYS

EARN A  
**\$100 BONUS**

MENTOR AN ENROLLEE TO  
**DIRECTOR 700**  
WITHIN 60 DAYS

EARN A  
**\$150 BONUS**

THAT'S \$300 POSSIBLE FOR EACH NEW DIRECTOR YOU MENTOR!

It's our way of taking the Director bonus and sweetening it for the sponsor. When they get their \$50 Director bonus, your Mentor bonus matches it! And then you can keep earning Mentor bonuses as that new Director grows: another \$100 for you when they reach D300, and another \$150 when they reach D700.

Miss one? Don't worry. You can catch the next one. For example, if your new enrollee misses the 14-day mark on hitting Director but still becomes a D300 within 30 days, you get the \$100 bonus.

These three Director levels are the foundation of your business. And now, when you build a strong foundation, you get instant cash AND a team that will create residuals for years to come.

There's always a bonus in it for those who keep mentoring, and there's no limit to the number of Mentor bonuses you can earn!

Promotion runs January 23, 2016–May 27, 2016.

## ASEA

# MENTOR BONUS CONTEST RULES

The Mentor bonus is designed to give you immediate cash while building for the long term. Your goal is to mentor as many new enrollees to Director 700 as possible. This will build and strengthen your organization from a foundational level, and you have the potential to earn \$300 in Mentor bonuses on each person mentored.

## PROMOTION PERIOD

January 23, 2016–May 27, 2016

## ELIGIBLE PARTICIPANTS

All ASEA associates in any open ASEA country are eligible to participate in the Mentor bonus promotion.

## EARNING A MENTOR BONUS

Every time you personally enroll a new associate, you have the opportunity to earn any or all of the following as that person advances in rank:

**\$50** – you mentor someone to Director within 14 days of enrollment

**\$100** – you mentor someone to Director 300 within 30 days of enrollment

**\$150** – you mentor someone to Director 700 within 60 days of enrollment

These bonuses are cumulative, so you can earn all of them, but if you miss one, catch the next one! The objective is to keep mentoring, even if an associate miss a milestone.

There's no limit to the number of Mentor bonus you can earn! Every time you mentor a new personally enrolled associate to a Director rank within the qualification period, you can get this bonus.

## QUALIFYING FOR A MENTOR BONUS

The only qualification on earning a Mentor bonus is to be paid at a rank equivalent to or higher than that of your new enrollee the same week they advance. For example, in order to earn the \$100 bonus on a Director 300, you must also be paid at Director 300 or a higher rank the week your enrollee reaches that rank.

You have until commissions close on the week your enrollee advances to qualify for your Mentor bonus. Example: If your new associate advances on a Tuesday, you actually have until commissions close the following Friday to be at or above the rank of your new associate.

## RECEIVING YOUR MENTOR BONUS

You will be paid your Mentor bonus two weeks from the date you qualify. ASEA pays commissions every Friday for week's activity that closed the previous Friday. The Mentor bonus is paid every Friday for the week's activity that closed two Fridays previous, so you'll receive commissions one week and Mentor bonus the next.

**Example:** You mentor someone who advances to D300 in commission week 36. You will be paid your normal commissions for that week in week 37, and your Mentor bonus for that week will come in week 38.
